

The ORTUS learning and events centre is located just a few minutes' walk from Denmark Hill rail station with frequent direct connections to central London plus an extensive local bus network.

We're also within easy walking distance of the Maudsley Hospital, King's College Hospital, the Institute of Psychiatry, Champion Park and Ruskin Park.

As we are in close vicinity of a hospital parking is restricted and is mostly reserved for residents only, we therefore encourage the use of the ample public transport that is available. We do have a limited number of pre-bookable parking spaces for venue clients. We also provide a secure bicycle parking area and showers.
